In the Claims

Please cancel claim 8.

Please amend claims 5 and 9-11 as shown in the attached pages. A marked version of the claim set showing the changes made is also attached.

Remarks

By way of this Preliminary Amendment, claims 1-7 and 9-11 are pending. Claim 8 has been canceled. Claims 5 and 9-11 have been amended to put the claims in a format appropriate for U.S. prosecution. No new matter has been added by way of these claim amendments.

More specifically, claims 5 and 9 have been amended to remove multiple claim dependencies in a manner consistent with U.S. prosecution. Applicants submit that such amendments do not change the scope of the subject matter claimed in claims 5 and 9-11, but merely puts it in an alternative format. All claim amendments made merely address formalities in the claim format and do not change the scope of the claims. Such claim amendments are therefore not related to the patentability of the subject matter claimed.
